BIMÖ

■ ■ PERSONAL VIBRATOR
INSTRUCTION MANUAL

GETTING STARTED

- Please charge Fully before First use.
- Press the “⏻” to turn ON.
- When the device is on, to switch to a different program please press “⌚” button.
- Press the “⏻” to turn OFF.

CHARGING YOUR VIBRATOR

- When the vibrations become weak, or stop completely, and the LED light is still on, your nobü toy needs to be re-charged.
- Insert the DC plug into the DC port on your nobü toy (see illustration below).
- Insert the other end of the DC recharging cord into any USB socket. The LED will blink to indicate it is recharging. When it is fully charged (after 3 hours), the light will remain on.

NOTE

• Your nobü toy is not classified as a medical device. Do not use around your chest or throat area, and if you experience severe discomfort during use, you should stop using your nobü toy and consult your healthcare provider.
